WASHINGTON, DC

ORDER NO. 3883

IN THE MATTER OF:

Served February 7, 1992

Application of UNITED MANAGEMENT)
CORPORATION Trading as PASSENGER)
EXPRESS to Amend Certificate of)
Authority No. 172)

Case No. AP-91-40

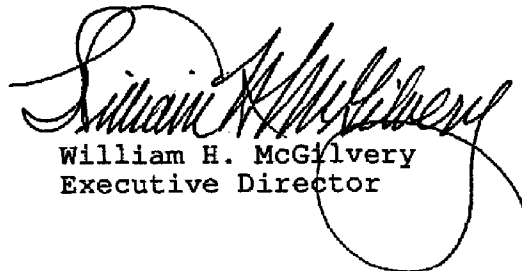

On January 6, 1992, in Order No. 3875, we conditionally granted the application of United Management Corporation trading as Passenger Express (UMC) to amend its Certificate of Authority No. 172. The certificate contains a restriction constraining UMC's operations to transportation in vehicles with a manufacturer's designed seating capacity of 15 or fewer persons, including the driver. The amendment would remove that restriction. We directed UMC to file within thirty days, or such additional time as we may direct or allow, certain documents, including evidence of insurance and a lease or leases.

On February 4, 1992, UMC filed a request for a 30-day extension of time to file the aforementioned documents. UMC says it has encountered delays in having its insurer and lessor complete the necessary forms.

We will grant UMC the 30-day extension as requested. UMC is reminded that until it has fully complied with Order No. 3875, its operations are restricted to transportation in vehicles with a manufacturer's designed seating capacity of 15 or fewer persons, including the driver.

THEREFORE, IT IS ORDERED that United Management Corporation trading as Passenger Express is hereby granted an additional 30 days, until March 6, 1992, to comply with the requirements of Order No. 3875.
